

## **Call for Board Members**

ARTSPACE

Founded in 1974, ARTSPACE is one of the first and longest-running artist-run centres in Canada. Regionally, it serves a large community of artists spread across five neighbouring counties, bringing together many rural areas. It is the only centre of its kind between Toronto and Ottawa, Kingston and North Bay, and serves a diverse population of cultural workers.

ARTSPACE is a non-profit organization committed to the exhibition of contemporary art and the professional development of artists. In addition to a range of resources and activities, we provide presentation spaces that accommodate a broad scope of artistic disciplines, and favour work that is challenging and innovative.

Presently, ARTSPACE is seeking new board members from our extended community, who will bring dedication and vision into our organization. Being a board member provides a rewarding challenge. The role requires engagement and leadership in the areas of fundraising, marketing, and audience development. ARTSPACE is looking for individuals with a wealth of enthusiasm and ideas to share!

Applicants should have a strong interest in contemporary art, possess an understanding of the non-profit sector, have a connection to this community, and be able to commit to regular monthly board meetings and volunteer hours.

If interested, please send a copy of your CV and a completed application form by **APRIL 15, 2011**. Applications accepted by email or post.
